Subject: Resignation from Recycling and Solid
Waste and Community Appearance Committees

To whom it may concern,

My name is Donna Torrey. I am presently on the Recycling and Solid Waste Committee, and the Community Appearance Committee. I would like to resign from both of these committees. The Recycling Committee has two competent alternates, and I would like to give Sara Goff, who is also from my district, the chance to serve, as I have been on this committee for two terms. It is a valuable committee, which I feel has made good progress since I have been a member.

Regarding the Community Appearance Committee, on which I have also served two terms, I feel that this committee should either become part of the Architectural Appearance Committee, or be dissolved, as it is serving no purpose.

I have put many additional hours into helping to draft a new landscaping code, along with other members, Greg Philips, and Mike McNeal, but to no avail. It seems as if this committee is just floating in the ether, not attached to any meaningful place of action. Because of this in-effectiveness, I am resigning as a member of this committee.

On the other hand, I would like to be placed on the list of those wishing to serve on the Parks and Recreation Board, as I feel I can better serve there.

Thank you for your time and consideration. If there is anything additional you need from me, please don't hesitate to call: 954-695-3914.

Sincerely,

Donna Torrey
