COMMENTS – CONTINUED

In addition, Comr. Burrie stated that a constituent asked her, "What are you going to do for us or what are your plans for your next term?" She replied, "I promise to continue doing exactly what I have been doing for the past four years, to include making sure that the citizens and the welfare of Pompano Beach, as well as the needs of District 2 are first on my list."

Finally, Comr. Burrie stated that the people of Pompano Beach are wonderful and deserved the best. In fact, she is probably the proudest city commissioner seated on the dais, having the opportunity to represent all of them. She then expressed thanks to everyone for the beautiful flowers that were given to her as well.

Commissioner Woodrow Poitier – Comr. Poitier stated that the election results says it all. Additionally, he said that he must have been doing something right; and plans to continue in that direction. He also indicated that his first two and half years in office were a learning process, but this time around, he plans to do things differently.

In closing, Comr. Poitier stated, "The citizens have spoken and I'm yours for another two years."

Mayor Fisher thanked everyone for attending the ceremony as well as for their support.
