Subject: FW: Edward Byrne Memorial Justice Assistance Grant 2011-2012 - FDLE Requirement
Importance: High

The Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program is administered by the U.S. Department of Justice and in Florida by the Federal Department of Law Enforcement (FDLE). The program funds are used to promote the state's efforts to reduce substance abuse and violence. The United Way of Broward County Commission on Substance Abuse (UWBCCSA) has been the administrator for the grant program in Broward County for the past nineteen years. As you may know, the Byrne Grant program was combined with the two Local Law Enforcement Block Grant programs (LLEBG) and is now called Justice Assistance Grant program or JAG. All three still have separate funding streams and separate application processes.

Each year, as was true this year, announcements concerning the Byrne Grant process in Broward County were widely disseminated. A subcommittee of the UWBCCSA board met in June and reviewed grant applications. The attached recommendations were approved as well as have been sent to the Broward County Commissioners for their approval and signature. Please find those funding recommendations attached.

In order to be able to draw down the **\$611,931.00** in Byrne/ JAG Grant monies allocated to Broward County for the federal fiscal year 2011-2012, "51% Letters" must accompany the packet of Byrne/ JAG Grant applications that are submitted for funding consideration. The 51% letters must represent at least 51% of the units of government, which also represent at least 51% of the population located in the county. **These 51% letters allow Broward County to be the administrator for the Byrne grant** and to subcontract with the UWBCCSA to administer the Byrne/ JAG Grant program for Broward County.

Enclosed please find a sample 51% letter that needs to be submitted from local units of government which needs to be included when the Byrne/JAG Grant applications are submitted. The contents of this letter need to be **transferred to your letterhead and signed by you** and returned to the United Way of Broward County Commission on Substance Abuse. **PLEASE DO NOT SEND IT TO CLAYTON WILDER.** Please note that if someone else other than you signs the letter, FDLE requires an additional document indicating that this person has signatory authority.

If you have any questions of concerns, please contact Gonzalo Cadima, the Director of Grants Administration & Evaluation, at 954-760-7007 x204. Thank you in advance for your assistance.
