Dear Property Owner:

The Pompano Beach Community Redevelopment Agency is distributing a brief survey to property owners in the western area of the East CRA District. The responses to this survey will help to inform the Urban Land Institute (ULI) Technical Assistance Panel (TAP) that has been formed to provide expert, objective, and practical advice on land use and development issues confronting the City as it seeks to revitalize the Atlantic Boulevard corridor of the East CRA District.

As an information gathering tool that will be very important to the CRA's efforts to reinvigorate commercial activity in the East CRA District, it is critical that you complete the survey and return it by April 30, 2008 to:

Pompano Beach CRA
100 W. Atlantic Blvd., Suite 220
Pompano Beach, FL 33060

If you have any questions, please contact Steve Spaulding at 954-786-4655. Thank you in advance for your time and assistance in this matter.

With regards,

Robert P. Franke, AICP
Director, Pompano Beach CRA
