

## Recycled Latex Paint Giveaway Program

The City of Pompano Beach collects and recycles latex paint for distribution to the community free of charge. Broward County's program known as "Paint It Broward" distributes recycled latex paint to the cities. The cities in turn, distribute this paint to the residents. The material is intended for personal residential use only and is not to be sold or used in commercial operations. The paint is available to each residence once in a twelve month period.

The maximum number of gallons per residence is three 5-gallon containers (15 gallons).

The paint is released on each Thursday between 9:00 a.m. and Noon. Please call (954) 545-7019 the Thursday prior to your paint is scheduled to be delivered.
