**ADDENDUM #1, H-05-11
P2 SAFETYPLUS POWDERFREE GLOVES**

To All Bidders,

Please review the following requests for information, and answers:

Q1: Can you share the current pricing?

A1: The City does not have a current contract for P2 Gloves; the last price paid was \$259.00 per case.

Q2: Will you accept alternate brand product?

A2: No, this bid is to establish contract pricing for the P2 glove.

If you wish to have the City review an alternate product to be included on a future bid, submit a letter to the General Services Director identifying the product you want the City to approve as an equal to the product currently stocked/specified. Correspondence should be accompanied by any relevant manufacturer's literature, references, etc. to allow the City to make an informed decision. If the City considers it necessary, the vendor will be requested to provide samples for testing/inspection at no charge. Sufficient quantities must be provided to allow for testing to the City's satisfaction. If the City considers it necessary, the vendor will be requested to arrange a product demonstration to a committee to review the product and make a determination of equivalency. The City will review requests as time allows, and after a final determination is made, will inform the vendor in writing. Any approved equals will be identified in the next Request for Quotation or formal Bid issued for the inventory item.

The deadline for receipt of sealed bids remains 2:00 p.m. (local), November 10, in the Purchasing Office at 1190 N.E. 3 Avenue, Building C, Pompano Beach, Florida, 33060.

The remainder of the Bid is unchanged at this time. Acknowledge receipt of this Addendum in the area provided on the bid proposal form, page 10.

Very truly yours,

Leeta Hardin
General Services Director
