ADDENDUM #2, RLI H-20-11 -- PREPARATION OF STORMWATER MASTER PLAN

To All Interested Firms,

Please review the following request for information, and answer provided by City staff:

Q1: On page 3 under "Project Team's Experience" the 1st item is:

List all projects undertaken in the past five (5) years, describe the scope of each project in physical terms and by cost, describe the respondent's responsibilities, and provide the name and contact telephone number of an individual in a position of responsibility who can attest to respondent's activities in relation to the project.

We have undertaken approximately 5000 projects company-wide in the last 5 years. Does the City want all of this information? If not, how would you like us to determine which projects you want included, and how many?

A1: List projects done by the people on the team you propose to work on our project.

The deadline for receipt of sealed proposals remains 2:00 p.m. (local), February 3, 2011, in the Purchasing Office at 1190 N.E. 3 Avenue, Building C, Pompano Beach, Florida, 33060.

The remainder of the solicitation is unchanged at this time. Acknowledge receipt of this Addendum in your proposal.

Very truly yours,

Leeta Hardin
General Services Director
