## ABOUT THE CAMP

The summer junior tennis camp is for juniors aged 4-18 who want to improve their tennis while having a lot of fun. Each day the camp staff will emphasize fundamentals, strategy and sportsmanship. Each camper will be challenged to be the best they can be. Campers will be grouped by age and ability and will have access to a wide range of play. Campers will also have the opportunity to swim as well as play board games and activities. Campers need to bring bag lunches, money for drinks and snacks, sunscreen, tennis racquets, a hat, and a swimsuit and towel. A little rain will not stop us!! When it rains we will move things inside for instructional games and videos.
