Revised Emergency Water Restrictions

Modifications to the South Florida Water Management District's emergency water restrictions became effective Friday, April 18, 2008, allowing two-day-a-week landscape watering for Pompano Beach.

Residents and businesses of Pompano Beach are limited to a two-day-per-week landscape irrigation schedule with two "watering windows":

- Odd street addresses may irrigate lawns and landscapes on Wednesdays and Saturdays from 12 a.m. to 10 a.m. and/or 4 p.m. to 11:59 p.m.
- Even street addresses may irrigate lawns and landscapes on Thursdays and Sundays from 12 a.m. to 10 a.m. and/or 4 p.m. to 11:59 p.m.

Hand-watering with one hose fitted with an automatic shut-off nozzle is allowed for 10 minutes per day for landscape stress relief and to prevent plant die-off. Additional watering days and times are allocated for the establishment of new lawns and landscapes.

No restrictions apply to other outside water uses, such as for car and boat washing, pressure cleaning of paved surfaces, decorative fountains and water-based recreation (e.g. swimming pools, water slides).

Landscape irrigation using 100-percent reclaimed water is allowed any day except Fridays and 10 a.m. to 4 p.m. all other days of the week.

Detailed water restrictions are outlined in the signed orders available at www.sfwmd.gov. If you have any questions about the current water restrictions call the South Florida Water Management District hot line at 800-662-8876 or the City of Pompano Beach Customer Service Department at 954-786-4637.
