Date of Press Release: 4/15/09

Student Government Day  
City Commission Chambers  
100 West Atlantic Boulevard  
Thursday, April 16<sup>th</sup>  
11:00 a.m.

There will be an intense City Commission Meeting in Pompano Beach tomorrow when approximately twenty students from Blanche Ely and Pompano Beach High Schools will take part in a mock City Commission Meeting to discuss regulating kite boarding on the beach.

The Government Day students will be paired with the Mayor, Vice Mayor, Commissioners and City Department Head Staff Members at 8:30 a.m. in the Commission Chambers where they will learn duties and responsibilities of their assigned counterparts. At 10:00 a.m. the students will begin preparing for **the mock City Commission Meeting which will start at 11:00 a.m. in the City Commission Chambers, 100 West Atlantic Boulevard.** The Mock Commission Meeting will be as close in protocol to a regular meeting as possible. Meeting agendas will be available in the Commission Chambers prior to the meeting.

At 12:00 noon, the commission, staff, and student role players will adjourn to the Pompano Beach Elks Lodge for lunch, presentations and pictures.

Student Government Day in Pompano Beach will not be exciting and fun for the students but most importantly will be educational.
