Tyrone created this foundation as a way of giving back to the community where he grew up. Through hands-on activities, Tyrone teaches the children basic life skills and to respect each other. He also encourages them by instilling their confidence and the importance of continuing their education to strive to become future leaders.

Tyrone Carter has played in 135 career games with 35 starts during his outstanding six-year career with the Pittsburgh Steelers, Minnesota Vikings and New York Jets. His amazing career statistics, awards and honors are only surpassed by his generosity and willingness to give back to his community.

Tyrone Carter also hosts other community events in Pompano Beach such as a Thanksgiving Food Drive, Christmas Toy Giveaway and Sponsored Field Trips.
