## Dog Park

The highly anticipated dog park in Pompano Beach is almost ready to open. Construction is complete and concrete sidewalks are now being installed which is anticipated to take approximately three weeks to complete. Pending the timely completion of the sidewalk installation, the opening of the park is scheduled for June 21<sup>st</sup>.

These concrete sidewalks were identified on the approved plans, but the cost was not included in the initial construction budget. Due to bid savings from installation of the chain link/picket fencing, funds are available to install the sidewalks. The five-foot wide sidewalks will be placed inside the fencing of each of the large and small dog areas.

At tonight's City Commission Meeting, City Commissioners will be asked to approve a Resolution designating "Canine Corner" as the name of the dog park. "Canine Corner" was selected by a panel of judges from 698 entries submitted by citizens who entered a dog park naming contest.

The dog park is located at 1101 N. Federal Highway at the South East corner of the Municipal Golf Course property which is at the intersection of Federal Highway and N.E. 10 Street.
